ANOTHER SUCCESS

Scored By One of Old Maysville's Most Popular Boys

An old Maysville boy who has forged to the forefront of success in his adopted home is Mr. Frank A. Mannen.

For years past he has been Special Agent of the Fireman's Fund Insurance Company in the Northwest, with headquarters in Minneapelis,

Last week the annual convention of Fire Underwriters was held. This organization is composed of all Special Agents and Companies doing business in the Northwest, so it is a strong and honorable body. Mr. Mannen was unanimously chosen President for the ensuing

That he is capable, zealous and safe there can be no mistake; that he is a true gentleman and wonderfully gifted in looks, geniality and chivalry, which traits have pushed him to prom inence in business, club life and politics.

Mr. Mannen married MissBessie Morgan of this city, a levely girl and one who could vie with her husband in every way. One child has come to them, a most beautiful girl, an artist with brush and keyboard, and a mind erudite and original.

He says he may take the case to the Supreme Court if he can raise the \$2,500 to do so.

FIFTIETH YEAR

Attorney For That Period

Hillsboro (O.) News-Herald.

In another month Hon. Charles H. Collins will have rounded out half a century as Attorney-at-Law, having been admitted to the Bar in May, 1854. Mr. Collins can scarcely hope to continue his practice for another like period, but intellectually and physically he is the superior of many a younger man and is in all probability good for many another long year to come. Indeed, if there be any truth in the old adage that one is only as old as he feels, Mr. Collins is a young man yet.

The Modern Man Must Be Up-to-Date in His Clothes! As a business proposition: not

to be so is not good business. It is our business to supply the clothes and to supply the best in the business. Our Rochester Clothing and other special makes represent the "best." This the intelligent man wants. Suits \$10 to \$25. Topcoats and Cravenettes \$8.50 to \$25. The best fabrics from the looms of the world, the best talent in designing, the best hand tailoring, all go into these best productions in our Men's and Boys' Clothing. If you are "from Missouri," "we would like to show you." We perhaps would not refer to our shoe business as often if our customers that have worn them and have come in to buy again did not invariably say, "The best I ever wore." Popular verdicts in 99 cases out of 100 are just. When the weather does get right come in and see our Spring Underwear, soft Shirts, our Lord & Taylor Hosiery and the newest designs in Stetson's Soft and Derby Hats.

The time-worn injunction, "Never put off 'til omorrow what you can do today," is now generally presented in this form: "Do it today!" WOKE UP AT LAST

Robertson County Farmer Wasn't **Hurried to Sell His Wheat**

It was August, 1899, nearly five years ago, that Aaron Insko of Robertson county walked into the office of J. H. Rains & Co., commission merchants doing business in West Third street.

Mr. Insko is a farmer, and his mission on that occasion was to store a load of wheat he had brought to the city.

After dickering as to the price, the wheat was received and stored in the firm's warehouse. Mr. Insko departed for his home, and from

that day until Thursday was never heard from. The incident had been almost forgotten, when he entered the same office Thursday and inquired if that was J. H. Rains & Co.'s place of

Being told that it was, he said he had come to sell the wheat he had stored in 1899.

The transaction being quite ancient, the books were referred to in order to find out the facts in the case.

Everything being found straight, the man was paid for his wheat, and he departed with a good-sized roll in his pocket.

He did not give any explanation for neglecting the matter for so long a time.

Sure Relief for Women.

No. 18 Central Ave. Hot Springs, Ark., April 80, 1903.

Eighteen months ago I was so completely run down that my body ached from head to foot. My back seemed to break in two and I suffered intense pain in the lower abdomen. I could not afford to lay off and take a rest, and no medicine helped me any.

A friend told me how much Wine of Cardul built her up and advised me by all means to take it. The day I took the first dose the recovery of my health began. It was nearly three months before I was entirely cured, but at I look on Wine of Cardui as the most blessed medicine that a woman could possibly take when she feels sick and tired of life.
